## Cover what matters most

### Get three types of coverage in one plan

TriMED provides benefits that help cover out-of-pocket costs associated with the things in life you can't plan for, like accidents, critical-illness diagnoses, and accidental death and dismemberments.

It helps you get well without worrying about medical bills piling up.

Choose one of three available, guaranteed-issue benefit levels: \$2,500; \$5,000 and \$10,000.

\$15,000 and \$30,000 critical-illness benefit levels available with standard-issue coverage\*

- Get coverage for accident-related health care costs with Accident Medical Expense
- Receive lump-sum, cash benefits to help you pay for treatment after a first, covered critical-illness diagnosis
- Stay prepared with accidental death and dismemberment benefits

**THIS PLAN PROVIDES LIMITED BENEFITS.**

\* Standard-issue plans require a health questionnaire

# Accident Medical Expense

Accident Medical Expense gives you the coverage you need to help pay the high out-of-pocket costs following an accident

Accident Medical Expense (AME) has a \$250 deductible. Following a covered accidental injury, this plan will help you cover accident-related medical expenses up to the benefit amount you choose.

## ACCIDENT MEDICAL EXPENSE ADVANTAGES

- Helps you pay costs not covered by other insurance
- No limit on the number of covered accidents
- Benefits work to compliment your existing health coverage

<sup>1</sup> Average cost of a fractured hip according to the National Center for Biotechnology Information. Retrieved April 17, 2015, from [www.ncbi.nlm.nih.gov/pubmed/23035626](http://www.ncbi.nlm.nih.gov/pubmed/23035626)

## How does Accident Medical Expense work? Let's do some math

The average cost of a fractured hip is \$12,923.<sup>1</sup> Now, let's assume you chose a \$5,000 benefit level, and have a primary medical plan with a \$5,000 deductible.

TREATMENT COST	\$12,923
PRIMARY MEDICAL PLAN DEDUCTIBLE	\$5,000
TRIO MED PAID	\$4,750
AME DEDUCTIBLE	\$250

In this example, TrioMED would pay 95% of your primary medical plan's deductible

# Critical Illness coverage

## TrioMED has you covered here, too

In the event of the first diagnosis of a critical illness, TrioMED will provide a lump-sum, cash benefit to help you pay your out-of-pocket expenses up to the benefit level you choose. If your medical bill is less than your chosen benefit level, you can use the leftover funds in any way you like.

This plan pays benefits for the first diagnosis of covered illnesses in three categories.<sup>2</sup> It pays one cash benefit per category, with three lump-sum payments available.

### CRITICAL ILLNESS COVERAGE DETAILS

- Pays lump-sum benefit upon the first diagnosis of a covered critical illness
- No deductible to satisfy
- No network restrictions
- Amount payable of primary maximum benefit is 50% for a spouse and 25% for a child

<sup>2</sup> An insured person will only be allowed one payout per category

<sup>3</sup> If any of the insureds are diagnosed with invasive cancer within the first 90 days of the policy effective date, the benefit amount is reduced to 10% of the maximum allowed benefit

<sup>4</sup> If any of the insureds are diagnosed with cancer in situ within the first 90 days of the policy effective date, the benefit amount is reduced to 10% of the maximum allowed benefit

The maximum allowed benefit amount reduces by 50% at age 65 and coverage terminates at age 70.

COVERED EVENT	PERCENTAGE OF BENEFIT LEVEL
<b>CATEGORY ONE</b>	
Heart attack	100%
Stroke	100%
Major organ transplant (heart or combination transplant including heart)	100%
Coronary bypass surgery	25%
Heart valve replacement or repair surgery	25%
<b>CATEGORY TWO</b>	
Invasive cancer after 90 days <sup>3</sup>	100%
Cancer in Situ after 90 days <sup>4</sup>	25%
<b>CATEGORY THREE</b>	
End stage renal failure	100%
Major organ transplant (excluding those covered in Category One)	100%
Advanced Alzheimer's Disease	100%
Coma	100%
Motor Neuron Disease / ALS	100%
Paralysis	100%
Severe burns	100%

# Accidental death and dismemberment

## TrioMED helps you stay prepared

No one wants to think about the worst actually happening. But if it does, you want to make sure that you and the ones you love have the financial coverage needed to pay medical expenses.

In the unfortunate event that an insured person suffers a dismembered limb or passes away due to a covered accident, TrioMED will pay the elected benefit amount based on the schedule of benefits.<sup>5</sup>

### ACCIDENTAL DEATH AND DISMEMBERMENT FEATURES

- Provides a benefit payout (percentage of the face amount) in the event of Accidental Dismemberment<sup>6</sup>
- Provides a benefit payout for a death resulting directly from a covered accidental injury
- Lump-sum benefit not restricted to medical expenses — use it for a wide variety of out-of-pocket costs

<sup>5</sup> The benefit payout for a death resulting directly from a covered accidental injury, independent of any other causes, is subject to the schedule of benefits (100% benefit to the insured; 100% benefit to a covered spouse; 50% benefit to any covered children) and the death must occur within 30 days of the covered accident. The claim must be submitted within 180 days of the covered accident. The benefit amount is paid to the listed beneficiary.

<sup>6</sup> The benefit amount for covered injuries will be a percentage (ranging from 25%-100%), depending on the specific injury.
